

Devon Western Riding Club Dinner & Presentation Evening Saturday 27th February 2010

Congratulations were extended to all who managed to attend the Club's annual dinner after snow had cancelled our original plans. A warm welcome was offered to members & their guests by the Prewley Moor Arms staff, who laid on a wonderful buffet to fill our bellies & keep us merry. Photographs from past events were shown on the big screen throughout the evening so we could all smile at happy memories, marvel at friends equestrian skills,

laugh at the odd poses & remember not to eat too much cake as we are getting fit for this years challenges.

There was plenty of chatter all evening & much excitement for Paul & Leigh Cheetham who won the raffle prize of a holiday in Spain & free western riding with Terrie Salone.

But the main event has to be the prize giving itself & a big round of applause to all our winners:
