

Spring Show 16th May 2010

Originally our Spring Show was going to be held at the Duchy College, Cornwall but we ran into a few problems so a last minute change was made and The Centre for Caring Horsemanship became our venue. With rain forecast, the weather was once again kind to us, with only outbreaks of drizzle keeping us mostly dry & cheerful during the day's events. Our judge for the showmanship and ridden classes was David Hudspeth, who was well received by us all and even provided us with a little demo on our Jack (our first judge to do so!) to show us all how it should be done, thank you David. Also a big thank you to Jennifer Collie who organised and ran the in hand trail classes in the field. 3yrs and under winner was Henrietta Collie with Katie; 4yrs and over winner was Lorna Smerdon with Dusty. See full results on events page.

We had a good turnout with many familiar faces and some new members too. Everyone seemed to have a good day with success all round, adding points to cards for the 'Hi Point' Trophy at the end of the year. It is lovely to see the growing confidence and improvement of horses and riders through the different disciplines. Some notable success was had by our Hi Point winners of the day, Lorna and Jemma. Again please check the events page for full results.

It was great to have Jane back, fit and well, providing us, as always with fabulous food, especially her heavenly cakes to which I am more than a little partial to! And also to have Lorna with us too after the safe arrival of her grandchild, you were both missed at the Mini Show. Thank you to Ali (entries), Judy (scribe), Lesley (in hand scribe), Neil (collecting ring steward), Terry (PA), Roger, Verity, Steve and dad (stewards), Paul (photos). So much effort goes into organizing and running these events and making them enjoyable for all.

Don't forget the fun ride at Belstone on 20th June, a lovely opportunity to ride on the moor and enjoy our beautiful countryside on horseback, and catch up with friends, so do come along!

Jo
