

Trailblazers & Western Games

Sunday 12th September 2010

Newton Ferrers Equus, Newton Downs Farm, Newton Ferrers, Plymouth, Devon PL8 1JA

This is intended to be a fun day out with your horse. The course includes 20 obstacles & runs across farmland & through woods. It is suggested that riders complete the route in pairs & it is estimated it will take approximately 2 hours ride; although there are no time penalties!

Marshals will score attempts at the obstacles so there is an element of competition.

The trail course will be followed by lunch & then there are games for those wishing to take part.

The distance, terrain & limited supervision make the course unsuitable for lead-line competitors or beginners. To comply with NFE policy & for club members safety there will be a trail course set up at the riding school for these riders. They will still be included in the certificates awarded to all participants.

The event will start & finish at the NFE Show field so there is ample parking & it will be sign posted from the main Newton Ferrers road. **Please register with Roger to take part - 01752 872807**

There will be a bring & share BBQ lunch as we did on the Belstone ride, please bring some goodies. The event is free to members & newcomers are welcome to sign up & join the club at end of year rates to be able to take part. Spectators & volunteer marshals are welcome.
